**EVERY FRIDAY**  
**9:00-11:00HRS PST**  
**OCTOBER 22 ~ NOVEMBER 26**

---

### VIRTUAL EVENTS

***Friday October 22nd 2021, 9:00-11:00hrs***  
***Market, Technology & Policy Update***

Speakers will delve into what's new since we met last year by providing updates to regional plans and initiatives as well as highlighting major trends that have shaped change in the regional and global decarbonization of the maritime and shipping industry over the last twelve months. Identifying major trends that have shaped change over the last 12 months. Global & local alternative fuels market & trends in shipping, forecasting.

***Friday October 29th 2021, 9:00-11:00hrs***  
***Ports & Terminals: A Global Perspective***

For this series, VMCC has sourced speakers from around the world to share about their decision making and planning, including future goals and targets, what's happening in their region as well as a few innovative thinkers who are shaping the way the future of terminal operations may unfold.

***Friday November 5th 2021, 9:00-11:00hrs***  
***Ship Owners Exchange***

Join us to hear from ship owners, both domestic and deep sea, and their plans to decarbonize in the face of public pressure and global climate alignment targets.

***Friday November 12th 2021, 8:00-10:00hrs (International) 10:30-12:30hrs (National)***  
***Innovators Showcase***

The innovators showcase will feature innovators looking to push the limits of decarbonization in the maritime and shipping industry. With a focus on innovators thinking ahead of the decarbonization curve, VMCC has sourced speakers from the United States, Europe and Asia for this engaging same day, two-part series.

***8:00-10:00hrs - International Innovators***

The early morning session will feature innovators from outside our borders including the United States, Europe and Asia.

***10:30-12:30hrs - Canadian Innovators***

The mid-morning session will feature innovators from within our borders, hailing from across Canada.

## DETAILED SCHEDULE CON'T

---

### VIRTUAL EVENTS CON'T

**Friday November 19th 2021, 9:00-10:00hrs**  
**COP26 Debrief & Financing the Green Transition**

Starting with a quick update on COP26, this session will transition to discussion from speakers who will focus on the nuts of bolts of financing decarbonization capital projects.

**Friday November 26th 2021, 9:00-10:00hrs**  
**VMCC Innovator Pitch Event**

Operation Flagship is at the heart of VMCC's operations. Designed to pair innovators with site hosts, this final session will give applicants the chance to pitch directly to regional ship owners, terminal operators and other asset owners along the supply chain, for a chance to pilot their technology on site. This will be an exciting conclusion to the mini-forum, with a focus on setting the ball in motion!

---

### HYBRID EVENTS

**Friday October 29th 2021, 14:00-15:00hrs**  
**VMCC Member Welcome & Info Event**

This hybrid event is by invitation only for VMCC Members and potential members to have a meet and greet with VMCC Executive Director, Elisabeth Charmley and learn more about VMCC's programs and engagement.

**Friday November 5th 2021, 14:00-15:30hrs**  
**First Annual Ship Owners Summit**

This hybrid event is by invitation only, and will be held at the Richmond location of Corvus Energy. Beginning with a 20 minute facility tour, the summit will last 60 minutes and allow ship owners to exchange information and knowledge in private setting. Conversation will be facilitated by VMCC Executive Director, Elisabeth Charmley.

---
